Application No. 09/780,303

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on July 7, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matters requiring attention prior to docketing are identified below.

Section 1208 of the Manual of Patent Examining Procedure (MPEP) (Eighth Edition, August 2001) states:

APPEAL CONFERENCE

An appeal conference is mandatory in all cases in which an acceptable brief (MPEP § 1206) has been filed. . . .

. . . .

. . . If the examiner's answer does not contain the appropriate indication that an appeal conference has been held (i.e., including the names of the conferees and identifying themselves as the conferees along with their initials), the Board should return the application directly to the appropriate Technology Center (TC) Director for corrective action. . . . This procedure applies to all examiner's answers received by the Board on or after November 1, 2000.

The Examiner's Answer mailed August 16, 2004, is deficient in that one of the conferees, Mr. Tom Dunn, has not signed or initialed the Examiner's Answer.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

1. for taking corrective action in obtaining all the appeal conferees' signature or initials;

Application 09/780,303

2. written notification to appellants of said
corrective action; and
3. for such further action as may be appropriate.
